PROFESSIONAL EXPERIENCE

Nuvama Wealth and Investment Limited | Bengaluru, India Nov 2022 - Apr 2024

Junior Associate — Investment Analysis & Client Advisory

- Screened and analysed **investment opportunities** through **business model review, market positioning analysis, financial performance assessment, and risk identification** to support senior recommendations.
- Built and maintained **30+ Excel-based valuation and return models**, translating assumptions into **scenario outputs, comparative analysis, and decision-support materials**.
- Prepared **40+ investment notes and presentation materials** synthesising **company fundamentals, market context, valuation considerations, key risks, and recommendation rationale**.
- Performed **absolute and relative analysis** using **peer and market benchmarks**, highlighting **performance drivers, red flags, and downside considerations** under tight timelines.
- Developed **50+ sensitivity and scenario analyses** to test earnings, rate, and spread assumptions, helping quantify risk exposure and support disciplined investment decisions.
- Worked across **multiple parallel requests with internal stakeholders**, validating inputs, prioritising deliverables, and maintaining **high analytical quality in a fast-paced environment**.

Prabhudas Lilladher Pvt Ltd | Bengaluru, India

Jun 2021 - Sep 2021

Finance Analyst Intern

- Supported **analysis of companies and sectors** through **peer benchmarking, valuation support, and review of publicly available business and market information**.
- Produced concise **market and sector notes** across 2–3 industries, summarising **commercial trends, company positioning, and investment implications** for senior review.
- Built and improved **Excel templates for comparable analysis and assumption tracking**, increasing efficiency and consistency in analytical workflows.

Padmashri Jewelers Pvt Ltd | Bengaluru, India

Apr 2017 - Sep 2023

Marketing & Strategy Analyst (Part-Time, Family Business)

- Analysed **revenue and cost drivers** and built **KPI tracking templates to monitor business performance** and support management decision-making.
- Prepared concise analytical materials on **sales performance, operating trends, and commercial priorities** for internal planning discussions.
- Evaluated **3 partnership opportunities** using **strategic and financial criteria**, identifying **key risks, commercial upside, and decision drivers**.

LEADERSHIP & ACTIVITIES

Finance Portfolio / Equity Research Project | [Public portfolio and valuation model](#) Sep 2024 -Present

- Built a public finance portfolio featuring a Ferragamo equity research report and downloadable Excel valuation model covering FCFF DCF, EV/EBITDA and P/E comparables, capital structure, and forecasts to FY2030E.

Krupa Loving Animals NGO | Bengaluru, India - Operations & Process Volunteer

Apr 2017 - Sep 2023

- Completed 7+ M&A/LBO case workshops involving target assessment, transaction logic, valuation, leverage considerations, and investment recommendation structuring.
